

SMART 360° is the answer to your unexpected lease-end expenses.

STAINS, DENTS, OR MISSING PARTS CAN LEAD TO BIG ADDITIONAL FEES AT LEASE END!

Even with good maintenance and careful driving habits, damage can happen to your vehicle over the life of a lease – dents, missing mats or parts, windshield glass cracks, stained upholstery or carpet, and more.

Open this brochure to find out what DLP Smart Risk 360° can do to protect you from the possibility of a large bill at lease turn-in.

WELCOME TO THE DEALER LOYALTY PROTECTION SMART 360° PROTECTION PLAN

SMART 360° IS A ONE-TIME USE
SERVICE CONTRACT THAT COVERS YOU
FOR UP TO \$5000

COVERAGE THAT CAN PAY FOR UP TO \$5000 IN LEASE-END FEES WITH ZERO DEDUCTIBLE!

Exterior dents and dings, chipped & cracked windshield and glass, rubber door seals, wheels & wheel covers, upholstery or carpet stains, burns & tears, door handles, moldings, trim metal, missing or broken parts.

All of these items and many more, are your responsibility to repair at lease-end, or you risk losing your security deposit and potentially even more out-of-pocket!

Leasing a new vehicle is such an affordable alternative to the long-term responsibilities that come with buying a vehicle.

Unfortunately it's hard to avoid the minor dings and dents, chipped glass, interior stains and other accidental damage that happens over time.
