

Additional Benefits

Rental Coverage

If your vehicle is required to be in a repair facility overnight for covered repairs, then we will reimburse you for car rental costs incurred - up to 6 days.

Towing

When towing is necessary, your vehicle will be towed to the closest licensed service facility or to any other location requested (up to 15 miles).

Flat Tire Assistance

Service consists of the removal of the flat tire and its replacement with your good spare tire.

Fuel, Oil, Fluids Delivery Service

An emergency supply of fuel, oil, fluid and water will be delivered if you are in immediate need. You must pay for the fuel or other fluid when it is delivered.

Lock-Out Assistance

If your keys are lost or locked in the vehicle, assistance will be provided to gain entry into the vehicle.

Battery Assistance

If battery failure occurs, a jump start will be provided to start your vehicle.

In Florida, products and services are provided by Lyndon Southern Insurance Company (FL: Lic. No.: FL-03698).

This is a summary of the possible benefits available.

Some restrictions and limitations may apply.

Please refer to the actual contract for specific details and limitations.

Peace of Mind. Certified.

Certified Pre-Owned Limited Warranty

Certified Pre-Owned Limited Warranty

Elite Component (3-Months or 3,000 Miles)

SENSORS: Oxygen sensor (O2); mass air flow sensor (MAF); manifold absolute pressure sensor (MAP).

AIR CONDITIONING (OEM ONLY): Compressor; compressor clutch; compressor clutch bearing; compressor pulley; accumulator; condenser; receiver / drier; evaporator; orifice tube.

FUEL SYSTEM: Primary electric fuel pump; steel lines & fittings.

SUSPENSION: Front and rear leaf & coil springs (only if broken); upper & lower ball joints; upper & lower control arms and bushings.

STEERING: Power steering pump; steering gear box; rack and pinion; high pressure lines.

BRAKES: Master cylinder; front & rear wheel cylinders; calipers; steel brake lines & fittings; ABS hydraulic components; ABS speed sensors; ABS control module. The following components are not covered: drums; rotors; pads; linings; wiring.

COOLING SYSTEM: Water pump; electric cooling fan motor; fan; fan clutch; thermostat; radiator; coolant recovery tank; heater core.

ELECTRICAL: Starter motor & solenoid; alternator; voltage regulator; front & rear window wiper motors; electronic ignition module (EIM); distributor; ignition coil/coil pack; front windshield washer pump; power window motors, regulators, & switches; power door lock actuators & switches; power mirror motors; power seat motors; power sunroof motor; power antenna motor; keyless entry transmitter & receiver.

SEALS & GASKETS: Seals and gaskets are covered only when required in conjunction with the replacement of a Covered Component.

FLUIDS & FREON: Fluids and freon are covered only when required in conjunction with the replacement of a Covered Component.

DIAGNOSTICS: Diagnostic time of up to a maximum of 1 (one) hour of labor for a covered repair unless a Mechanical Breakdown is obvious by sight or sound.

Powertrain Component (12-Months or 12,000 Miles)

ENGINE: All internally lubricated parts: cylinder heads; intake manifold; pistons; piston rings; wrist pins; connecting rods & bearings; crank- shaft & bearings; camshaft & bearings; timing chain, timing belt (only if broken), guides, tensioner and gears; rocker arms & shafts and bushings; intake & exhaust valves, valve springs, seats, & guides; push rods; hydraulic & solid lifters; oil pump; serpentine belt tensioner; flywheel; flexplate. Engine block, valve covers, timing cover, and oil pan are covered only if damaged by an internally lubricated Covered Component.

OEM TURBOCHARGERS & OEM SUPERCHARGERS: All internally lubricated parts contained within the turbocharger or supercharger housing.

SEALS & GASKETS: Cylinder head and intake manifold gaskets are Covered Component. All other seals and gaskets are covered only when required in conjunction with the replacement of a Covered Component.

AUTOMATIC TRANSMISSION: All internally lubricated parts; torque converter; lock-up convertor; gears

& shafts; bearings; bushings; bands; friction & steel clutch plates; steel drums; pump; servo unit; valve body & plate; governor; dipstick & filler tube. Transmission housing and pan are covered only if damaged by an internally lubricated Covered Component.

MANUAL TRANSMISSION: All internally lubricated parts; bearings; bushings; gears; shafts; synchronizers; spacers; shift fork; synchronizer drums; overdrive housing. Transmission housing only if damaged by an internally lubricated Covered Component. A manual clutch and related components are not covered.

DRIVE AXLE: All lubricated parts contained within the front and rear drive axle housing; pinion bearings; wheel bearings; side carrier bearings; ring and pinion; side gears; spider gears and case; drive shaft; universal joints; CV joints (provided the boots are not missing, torn, or damaged); locking hubs. Front or rear drive axle housing only if damaged by an internally lubricated Covered Component.

FOUR WHEEL DRIVE (4 X 4) & ALL WHEEL DRIVE: All internally lubricated parts; transfer case; bearings; bushings; chains; gears; sleeves; sprockets.

FLUIDS: Fluids are covered only when required in conjunction with the replacement of a Covered Component.

DIAGNOSTICS: Diagnostic time of up to a maximum of 1 (one) hour of labor for a covered repair unless a Covered Component failure is obvious by sight or sound.
